First Wash before First Usage

Keikogi:

1. Fill bathtub half way with cold water.
2. Add a cup of white vinegar for each gallon of water and 2 teaspoons of salt.
3. Soak for 36-48 hours and hang dry. NEVER place under direct sunlight, otherwise dye would be ruined.
4. **Dryer machine isn't allowed.**

Hakama:

1. Fill bathtub half way with cold water.
2. Add a cup of white vinegar for each gallon of water and 2 teaspoons of salt.
3. Ensure that Hakama is opened to full length, and soak for 36-48 hours. Keep pleats folded hang dry and keep away from direct sunlight.
4. **Dryer machine isn't allowed.**

For 2nd or later wash:

1. Hand wash (or use washer machine with hand wash mode only) with cold water.
2. Keep pleats folded and hang dry in fully opened and keep away from direct sunlight.
3. **Dryer machine isn't allowed.**
4. Iron Hakama to keep pleats straight if necessary.
